LET YOUR BRAND SHINE

ABOUT US

www.packnovel.com

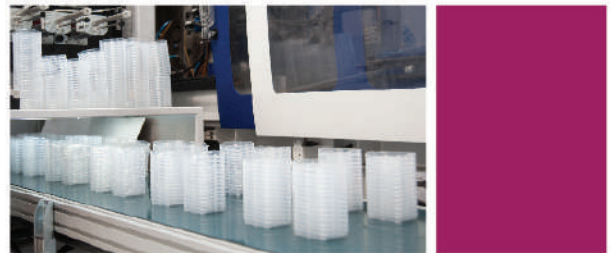

As we have started to get experience in 2006 in plastic sector Our core competence and experience at IML cups it turned to become as a manufacturing so the pack novel company founded in 2017 as a manufacture company and started to export all over the world.

We are doing plastics boxes more different than usual to be different from other cups Pack Novel Packaging manufactures high quality injection moulded plastic packaging for food and non-food IML plastic products.

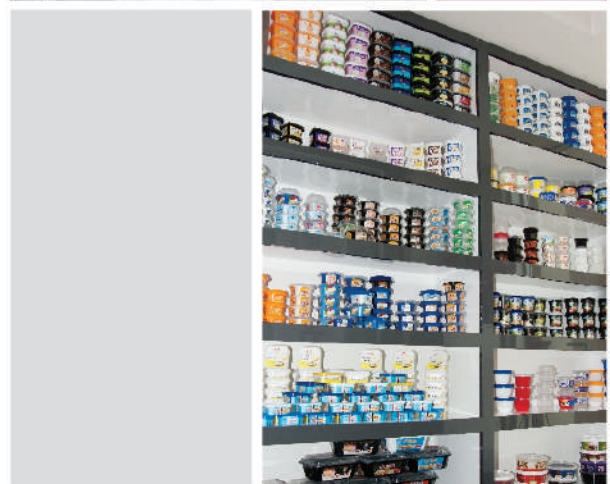

With our strong staff and professional team, we are the main plastic packaging manufacture of many industries, such as milk, cheese, cream, sugar, jam, chocolate, candy, ice cream, jelly, sweet, tomato paste, cosmetic, paint, chemical industries.

We always try to be unique, to give our customers a peerless experience.

Process last years is to deliver the most integrated IML solutions to support your business goal and enrich your brand message to the market on the time.

Our slogan is Let Your Brand Shine !
